Book Synopsis

When a bookshop patron commits suicide, it's his favorite store clerk who must unravel the puzzle he left behind in this fiendishly clever debut novel from an award-winning short story writer.

Lydia Smith lives her life hiding in plain sight. A clerk at the Bright Ideas bookstore, she keeps a meticulously crafted existence among her beloved books, eccentric colleagues, and the 'BookFrogs'—the lost and lonely regulars who spend every day marauding the store's overwhelmed shelves.

But when youngest BookFrog Joey Molina kills himself in the bookstore's upper level, Lydia's life comes unglued. Always Joey's favorite bookseller, Lydia has been bequeathed his meager worldly possessions: Trinkets and books, the detritus of a lonely, uncared-for man. But when Lydia pages through his books, she finds them defaced in ways both disturbing and inexplicable. They reveal the psyche of a young man on the verge of an emotional reckoning. And they seem to contain a hidden message. What did Joey know? And what does it have to do with Lydia?

As Lydia untangles the mystery of Joey's suicide, she unearths a long buried memory from her own violent childhood. Details from that one bloody night begin to circle back.
